

Children in need 2008

The staff, parents and children of healthy steps nursery raised £563 for children in need.

Our little trekkers wore their pyjamas, had their face painted and walked with Pudsey along Paisley Rd west, waving to people along the way. They had great fun and the people in our community enjoyed seeing Pudsey in the area. "Well done kids"

Our staff and parents did a hill walk up the conic hill in arrochar. Some not so fit as others, but we laughed and had a great time. All for a good cause. "Well done everyone"

The Children did so well with Pudsey that the BBC put us on their TV Show live – Children in need 2008
